

Olli Mustikainen & Juuso Andersin are presenting new design at Salone Satellite, Milan

Olli Mustikainen, Narikka coat rack

Olli Mustikainen and Juuso Andersin are presenting new designs at stand A-7, Salone Satellite, Salone Internazionale del Mobile, 8.–13. April, Milan 2014. Salone Satellite showcases only the most promising international young designers.

Their fresh and playful collections include furniture, lamps and coat racks. The prototypes reflect respect for materials such as wood and ceramics. Both designers study Industrial design at Helsinki Metropolia University of Applied Sciences.
